

Diversity Internship Program

The Missouri Humanities Council and the Missouri Association of Museums and Archives invites museum and archival organizations across the State to apply to serve as a host site for paid undergraduate or graduate-level internships that will take place during the Summer or Fall Semester of 2020.

Sponsored by the Missouri Humanities Council and coordinated through MAMA, the internship program is designed to provide meaningful work experiences for students from diverse backgrounds interested in the museum profession. The internships will match students with museum and archival sites that will direct, and benefit from, a sponsored internship.

Internships can provide opportunities in interpretation, educational programming, exhibit design, marketing, collections management, and non-profit business management.

The internship provides a \$1500 stipend for 125 internship hours.

Host sites and students interested in participating in the program should email Sara Wilson at sara@stjosephmuseum.org or call 816-232-8471 for more information. If interested in applying for the internship please fill out the form on the following page.
